The friends came together. Not one word was spoken.
And helped Ellie mend, her heart that was broken.
They pieced it together and patched it with glue.
For she was the best friend that they ever knew.

Heart-Locket Puzzle

Mend Ellie's heart with your friends by piecing together Ellie's locket.

Instructions:

Print the puzzle (print on thicker paper for best results) **and have your students, kids or friends cut carefully along the dotted lines to create puzzle pieces.**

When completed, put the pieces in a receptacle (Cup, hat, bowl, to-go containers, etc., etc., etc) **and mix them up. Pour the puzzle pieces out on a flat surface. Watch your students, kids or friends have fun mending Ellie's heart-locket as they piece the puzzle together.**

There are 25 pieces in the puzzle and one magical message all can learn along the way...

The friends came together. Not one word was spoken.
